WHAT YOU MISSED AT OUR LAST MONTHLY HUI

Wednesday 11th November, 2015

Ngā mihi nui ki a koutou katoa, warm greetings to you all

We had another great turn out of midwives and midwifery students this month. Thank you to everyone who has been supportive of our kaupapa since the establishment of our rūpu in March 2015, and as we approach the end of 2015 and look forward to 2016 this whakatauki inspires us to continue working together to accomplish great things:

“Ma tini ma mano ka rapa te whai”
“Many hands make light work. Unity is strength”

Some business items discussed were:

- Our Kia Ora Hauora funding has enabled us to continue to financially assist our Māori midwifery students. We had four applicants and successful recipients in our third round - Congratulations Maia Wharekura, Courtney Menehira, Rebecca Tuttle and Jessica Davies-Shirley.

Kia Ora Hauora
 Supporting Māori into Health

- Thank you to everyone who contributed to our discussion forum in preparation to meet with the AUT University Midwifery Department to start the discussion and work out a plan with them about how to further strengthen cultural competence across their Bachelor of Health Science Midwifery programme.
- Reminder to all, you are invited to register as a Nga Maia o Aotearoa member via our website. Current fees are:
 - Registered Midwife \$100
 - Student Midwife \$30
